14th October 2016

Dear Parents and Carers,

Time Tunnel

On our return to school, KS1 will be starting our new theme called Time Tunnel.

To launch this work, we would like the children to be Rubbish Dump Archaeologists.

This will mean that during the holiday we would like the children to collect 5 small items that you would normally throw away and bring them into school in a paper bag with their name on it. These items will be used in school to provide the class with clues as to what and where the children have been over half term break.

The items could include a bus, train or plane ticket, cinema or theatre tickets, swimming or football tickets, leaflets, maps, (clean) food wrappings, menus etc. The children need to keep their holiday activities a 'secret' because on the 2nd November we will use the clues in class to 'discover' where they have been.

Mrs Mackenzie and Mrs Jackson will be showing the children how to be a Rubbish Dump Archaeologist in Assembly next Wednesday.

Yours sincerely,

Mrs Jackson
